Write your script here: 

9. Click on the button

10. If you have a multilingual store, you can add a different script per language.

You just need to click on the flag :

 Choose language:
  

SORT OUT, EDIT, DUPLICATE AND DELETE ITEMS

1.Sort out items

If you have many items, you can easily sort them out from the list of existing items by clicking on the flag or hook you'd like (you can cumultate both filters) to only display the items that correspond to the selected criteria.

Easy Design - Header, Footer, Product Sheets, Homepage and Columns

Reset filter					
Add new item					
ID	LANGUAGE	TYPE	HOOK	STATUS	
1		Text	footer	1	
10		Text	footer	1	
8		Script	footer	1	
9		Image 	top	1	
2		Script	top	1	

To reset the filter and display again all the items, you just need to click on the button 

As regards images, texts and scripts, you can easily know what is inside each item by passing your mouth over it in the *Type* column.

TYPE	HOOK
Texte	footer
Script	<pre>#map-canvas { width: 500px; height: 400px; } function initialize() { var mapCanvas = document.getElementById("map-canvas"); var mapOptions = { center: new google.maps.LatLng(44.5403, -78.5463), zoom: 8, mapTypeId: google.maps.MapTypeId.ROADMAP } var map = new google.maps.Map(mapCanvas, mapOptions) } google.maps.event.addDomListener(window, "load", initialize);</pre>
Image 	
Script	
Script	
Script	

2.Edit / modify items

For each item, you just need to click on the button

Edit

You go back to the creation page of the item with the existing data. You just need to modify the data that you want and then click on the button

Update

3.Duplicate items

For each item, you just need to click on the button

Duplicate

Then you have to choose in which language(s) you want to duplicate the item (multilingual store)

Select the languages for which you want to duplicate the item:

Duplicate

This allows you to save a precious time and avoid having to recreate similar items. Each item can then be modified by clicking on the button

Edit

4.Delete items

For each item, you just need to click on the button

Delete

YOUR OPINION

Please take the time to rate our module after buying it. This is quick, constructive for other PrestaShop users and it helps us develop our activity.

<http://addons.prestashop.com/en/ratings.php>

If you have a problem with our module, please get in touch with us before leaving a feedback, our technical support will do all its best to solve your problem.

Quality of the module	<input type="radio"/> ★★★★★
